Figure 1: Forward by Andy 'The Chef' Reid

This is America, gentlemen, you play to win. If it is ping-pong or a hot dog eating contest, you play to win. That is how you go about this business we call Dynasty Fantasy Football. It is all about getting that sweet, sweet taste of victory.

Maybe you won last year. Maybe you didn't deserve to, either. Doesn't matter to me. If you like chocolate cake and you eat a piece, and then you have one dangling in front of your face, you're going to want to eat that too. And hungry dogs run faster.

This isn't gonna be easy but its gonna be worth it. Building a dynasty team, cultivating these players, it's a lot like a great burger. It's hard, I mean, you have to execute that thing just the right way. You have to get it to where it's perfect and juicy when you cut it open but not raw. Then add a nice slice of a Vidalia onion, some mayo, ketchup, a little squirt of mustard - but not too much - pickles, lettuce and tomato and baby I'm ready to roll.

To put all that together and make it perfect, there's some time involved. That's where the real work comes in. You practice, you get it right, you perfect your craft and then when you finally bite into it, hoo boy, that's ecstasy right there. So, that's why we play. In my book, there isn't a real man alive who doesn't love a good hamburger and a clean hit of ecstasy. Call me old fashioned.

There's a lot of ways to win this league. In some ways you want to keep the roster young. And at the same time you need those veterans who make you feel older. That's a delicate blend, not unlike sweet and sour pork.

So go attack this thing, boys. Attack it like I went after a few Chile Rellenos the other night. Because if you get that trophy, it's a special feeling, man. It means it all paid off. It'll mean something to you forever. When you sit back and look at that dick-shaped hunk of metal with your name on it, it brings a smile to your face. It's like a Snickers in the freezer, right? It's treasured.

The Franchises

It's almost Week 1 and these are the final rosters each Franchise has selected, by choice or not, to take the field.

Anyone of you can build plausible-sounding, 'fact-based' narratives that attempt to explain why your roster is taking home the trophy. Only time will tell.

Hopefully, 2023 doesn't require a tragic, near-death on live TV to determine its outcome. In a perfect world, it won't end with a tainted, asterisk-bound title. I think that's something we can all agree on - unlike saying, "Congrats, Tommy Tsao!"

With that - on to 2023 and previewing each franchise's 2023 roster, strengths, weaknesses, historical results and rivals. A Dynasty version of Why Your Team Sucks but, unlike Deadspin's review of the NFL, most of your guy's rosters are genuine, Oakland-level dogshit.

To preview each team, the following information is aggregated:

1. 2023 Pre-Draft Roster (Including Various Rankings)
2. 2022 Final Roster (Ranked by Fantasy Points Scored in Line-Up)
3. 2022 Final Schedule Win/Loss
4. Career Head to Head Records vs League Opponents (All-Time)

Conor is very down on his team. Rather than roast it, here is what Mike Tomlin would most likely say about it using 100% authentic, full Mike Tomlin quotes:
“The standard is the standard.

Last year was not it. Not a little bit disappointed. Disappointed. Certainly. I can sit here and talk about what should be, coulda been, expectations. Well, I’m not concerned about avoiding anything that happened one, two, three years ago or letdowns, things of that nature. When you use the term ‘letdown’ you proceed with the assumption that this is a continuation of something that happened in the past. I’m not into moral victories. I’m into victories. A moral victory is for the people who need it. We’re not looking for a participation trophy. Man, I’m fucking working here.

It’s a fine line between drinking wine and squashing grapes, as we say in this business. Last year was the jello we couldn’t get back in the box. We go into stadiums, gentlemen. It’s a competitive game, a hostile environment. If we’re gonna box, then I wanna spare. If this team doesn’t face enough adversity early in a season, I create it. Sometimes you’ve got to cut your eyelids off when you want to blink, when it gets thick. The objective is to get out of the stadium alive. I’ll tolerate you until I can replace you. Unleash hell. You know what I came to see. Give it to me, baby! HEY! HEY! You listening, Conor? You blink and I will cut your eyelids off.

We can’t do this with hostages. We’re not working on a small menu. And I’m not a big fan of the term ‘rebuilding.’ I prefer “reloading”. And, I don’t do hypotheticals. I know that we have some plays that need to be made, and somebody has to make them. There’s going to be some joyful lifting for us, if you will, in terms of those tasks. We’re still squirreling with those nuts.

I’m a big believer in the idea that if you put in the work, the results will come. It’s not about what we want to do, it’s about what we do. The standard is the standard.”

- Mike Tomlin
